I, _____ commit to membership in the Long Bean Farm CSA for the 2009/10 Season of January thru August (approximately 40 weeks). As a member, I commit myself to supporting the farm with timely payments. In addition, I commit to pick up my weekly delivery at the Long Bean Farm, CSA city office at 802 Ethel Blvd, Bryan TX, 77802, each Tuesday between 4pm and 7 pm. I understand that if I do not pick up my share it will be donated to a low-income family or an emergency food provider. I do not expect to have my share saved.

As a member of the CSA, I will receive a weekly share for the 2009/10 Season consisting of approximately 3-10 pounds of vegetables per week, an average of 3-6 items per week. The shares will vary in size and weight depending on the season. I understand that the variety of vegetables I receive is dependent on growing conditions that vary from season to season and that the risks and benefits of the harvest are shared. I understand that I am involved in a bio-system that is dependent on weather and other environmental factors and as such there is risk of crop failure. Should this happen I understand that there will be no refunds and share size could be greatly impacted.

The Standard Share price includes an administrative fee, which will be use to subsidize low-income shares and to defray the cost of running the CSA. By participating in a mixed income CSA, I am supporting the local farmer as well as more equitable food distribution and I am helping to create a more environmentally just, economically fair and healthy society.
